KEEP OUT OF REACH OF CHILDREN

WARNING

FLAMMABLE

May cause eye injury. Wear protective eyewear when handling. Avoid eye and skin contact. Avoid ingestion, breathing vapors or spray mist.

First Aid

Call a poison control center or doctor immediately for treatment advice.

If Swallowed: Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or a doctor.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth if possible.

If in Eyes: Hold eye open and rinse slowly/gently for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing eye. Have the product container with you when calling a poison control center or doctor, or going for treatment.

General Information:

CLEAN FIELD 90/10 NIS

-For use with agricultural, industrial, and aquatic herbicide products.

-Is a concentrated low-foam, nonionic spreader-activator.

-Increases the activity and effectiveness of agricultural insecticides, fungicides, and herbicides by providing quick wetting, a more uniform distribution on the leaf surface, and by increasing the retention of the spray by reducing surface tension.
